

Harambee USA Foundation

2019

Annual Report

OUR MISSION

Founded in 2007, Harambee USA Foundation is one of seven associate foundations that make up Harambee International. It is a 501(c)(3) non-profit organization designed to promote international solidarity and cooperation with sub-Saharan African countries.

Our two-fold mission is:

- To support sustainable educational and developmental initiatives that help Africans help themselves.
- To promote awareness-building programs for all ages which transmit the richness and complexity of African culture.

2019 PROJECTS

Every year, Harambee USA chooses worthy projects submitted by non-governmental organizations (NGOs) with which we partner through our shared focus on development sustainability.

In 2019, we funded initiatives in DR Congo and Cameroon.

The goal of the “**Forfait Mama**” project at Monkole Hospital, Kinshasa in DR Congo is to reduce the high rates of maternal and child mortality through the care of patients from the beginning of pregnancy through postnatal consultations and treatment of possible neonatal problems. Forfait Mama is one of several social programs at Monkole Hospital, which provides quality healthcare to the disadvantaged population of the region.

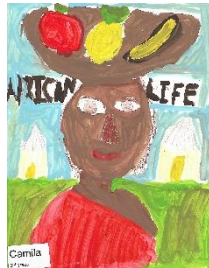

The 10 nursing students in DR Congo whose tuition is heavily subsidized by the **Harambee USA Nursing Scholarship** are on track to graduate in 2021 and 2022. They attend class at the Institute Supérieur Science Infirmière (ISSI) in Kinshasa and receive practical training in medical centers around Kinshasa and nearby towns. ISSI nurse graduates are in high demand due to the caliber of their training and professionalism.

In Cameroon, the **Ecole Familiale Agricole** (EFA) schools offers a 12-month comprehensive training curriculum for young people (and their parents in parallel training). The training responds to local needs for skilled labor, allows for sustainable supplies of food for families and communities, and addresses food shortages that on occasion reaches emergency levels. In 2019, Harambee USA granted EFA \$3,000 for partial funding of an instructional farm.

FUNDRAISING EFFORTS

Harambee USA relies on the generosity of individual donors and benefactors, along with corporate matching donations. During 2019, we raised awareness of our mission through activities focused on urgent needs in Africa and ways that our supporters can help.
